PLUSCARD – TERMS AND CONDITIONS OF PARTICIPATION

1. PURPOSE
Magazine zum Globus AG (hereinafter “Globus”) provides you with a Globus Pluscard (hereinafter “Pluscard”) free of charge in order to offer you discounts and other benefits. The Pluscard may be provided in the form of a card and/or an app. This Contract is concluded between you and Globus. The following agreements are made:

2. BONUS PROGRAMME
Your Pluscard automatically entitles you to participate free of charge in the Globus Bonus Programme.

3. VALIDITY AND USE OF YOUR PLUSCARD
Your Pluscard may have an expiry date. In this case, your Pluscard is valid until this expiry date and will be renewed automatically. Your Pluscard is personal and non-transferable. If a signature is required, you must sign the card as soon as you receive it and destroy the old card immediately. This type of card is only valid with your signature. Your Pluscard remains the property of Globus at all times and its return may be requested without stating any reasons.

4. PLUSCARD WITH PAYMENT FUNCTION
4.1 PAYMENT FUNCTION
Besides allowing you to participate in the Bonus Programme, the Pluscard also enables cashless shopping at Globus via the payment function. You must explicitly apply for the Pluscard with payment function. Your application may be refused without explanation. This Contract is concluded for the payment function between you and Globus. The Pluscard with payment function is free of charge (no annual fee) and entitles you to make cashless payments. The corresponding purchases of goods and services as well as the resulting amounts receivable shall be deemed to have been approved by you:
a) when you sign the transaction receipt, or
b) when you state your name, the card number and any expiry date, in particular in the case of distance transactions such as telephone, mail-order and online purchases, or
c) when you provide any other method of authentication such as an official identity card, fingerprint, password or PIN, at Globus’ discretion.

4.2 ADDITIONAL CARDS
You can allow people living in the same household to use your Pluscard with payment function (“Additional Cards”). As the Pluscard holder, you have unlimited liability for all obligations arising from the use of Additional Cards. You are obligated to ensure compliance with these agreements in the use of Additional Cards. Additional Cards can be given the same digital access to the Pluscard as your own Pluscard.

4.3 CREDITWORTHINESS CHECK
For the payment function, your creditworthiness will be checked individually based on your statements about your level of income. You authorise Globus to obtain all the information needed to review your application and perform this Contract (e.g. consumer credit already registered, personal data, solvency and other obligations) from public authorities, private bodies and credit agencies as well as from the Central Office for Credit Information and the Information Office for Consumer Credit (ZEK/IKO). You acknowledge and accept that this Contract will be reported to the IKO in accordance with the Consumer Credit Act. In addition, you authorise Globus to report this Contract to the ZEK, including any outstanding amount; in the case of card blocking, abuse of the card or serious payment arrears. The ZEK is authorised to make such data accessible to other members of the ZEK.

4.4 CREDIT LIMIT
The maximum credit amount for the Pluscard with payment function is CHF 10,000 (including any Additional Cards). Pending further notice, a provisional credit limit of CHF 499 may be granted to you at any time, which may not be exceeded. You will be informed of your individual credit limit in writing when you receive your copy of the Contract after a successful creditworthiness check. We reserve the right to revise the credit limit at any time; you will likewise be notified in writing. Unless we receive written notice from you to the contrary within 10 days, this limit notification shall be deemed to have been accepted by you.
The individual credit limit may be exceeded briefly, provided the outstanding amount is settled on receipt of the next statement. You undertake to use the Pluscard only to the extent that you are able to settle the outstanding sums on time.

4.5 STATEMENT
The monthly (collective) statement contains the amounts owed for the purchase of goods and services made by you. Monthly billing does not give rise to a new receivable. Statements that are not objected to in writing within 4 weeks of the date of issue are deemed to have been recognised by you.

4.6 PAYMENT OBLIGATION AND TERMS
You undertake to pay all sums owed resulting from purchases of goods and services using the Pluscard plus any fees and interest. The latter can be found in the fee table and can be modified by Globus at any time, especially if the cost structure changes, which will be communicated to you in a suitable form (e.g. on the statement).

The invoices are due for payment upon receipt. You owe an annual interest rate of 12% (0,94% per month) on all transaction amounts from the billing date until full payment. Globus may amend the annual interest rate at any time, in particular if the maximum interest rate is adjusted in accordance with the Ordinance on the Federal Consumer Credit Act. You will be informed of any changes in a suitable form (e.g. on the statement). You can choose between two payment options:
a) Settlement of the total amount outstanding by the end of the month in which the statement was issued. In this case, the interest on the transactions in this billing month will be waived.
b) Monthly payment of at least 10% of the last invoice amount (rounded up to the nearest CHF 10) by the end of the current month. If the invoice amount is less than CHF 500, the minimum payment is CHF 50.
Part payments shall be deemed to be in arrears without a reminder if the payments are not made as agreed. In this case, in addition to interest, you will also owe reminder fees in accordance with the fee table as well as compensation for all other expenses and costs incurred in connection with the collection of the overdue amounts.

5. LIABILITY AND LOSS OF THE PLUSCARD
You are required to report any loss, theft or abuse of your Pluscard immediately by phone on +41 31 511 66 00. Outside office hours, please contact the Globus Zurich Bahnhofstrasse store on +41 44 504 88 01. You are liable in full for any use of your Pluscard until the time the loss is reported.

6. CHANGES OF ADDRESS
Changes of name and/or address must be reported within 14 days to Globus Service, Schweizergasse 12, 8001 Zürich. Until we are notified of the new address, correspondence sent to the last known address shall be considered correctly delivered. If you fail to report changes, you will be charged the costs for an address search in accordance with the fee table.

7. DATA PRIVACY
You hereby express your consent to the processing of any historical and future data about you (e.g. name, address, date of birth, gender, email address, telephone number) and data about your activities (e.g. information about payment and order history or relating to the use of your apps or visits to your websites). The data is used for the purpose of providing the requested services and developing better services, for the provision and sale of goods, for identity and credit checks, for risk management, for marketing and internal statistics and for analysis purposes, in particular shopping basket analyses. The data may be forwarded to other companies in the Central Group, which may also use it for the purposes described here.
The Globus Data Privacy Notice, which can be accessed online at globus.ch/data-protection, forms an integral part of these Terms and Conditions of Participation.

8. COMMISSIONING OF THIRD PARTIES
Globus is entitled to commission third parties for the processing in whole or in part of all services arising from the contractual relationship. You authorise Globus to supply these service providers with the data required to fulfil the assigned tasks. The service providers are contractually obligated to comply with the Swiss level of data protection.

9. CONTRACT TERMINATION, BLOCKING
This Contract may be terminated by either party at any time, without notice and without stating reasons.
Cancellation of the Pluscard with payment function will result in all outstanding amounts becoming due for payment immediately upon receipt of the statement. If the Pluscard is cancelled, any Additional Cards are likewise deemed cancelled. Globus reserves the right to block, withdraw or restrict the use of your Pluscard and any Additional Cards at any time without stating reasons.

10. CHANGES TO THESE TERMS AND CONDITIONS OF PARTICIPATION
Globus reserves the right to make changes and improvements to the Pluscard programme or to terminate the programme at any time. The current Terms and Conditions of Participation are provided online at globus.ch/conditions-pluscard. Globus will notify you of such changes in an appropriate form (e.g. on the statement).

11. APPLICABLE LAW
This Contract shall be governed by Swiss substantive law.
